WFSCB will base its selection on the Respondent's professional competence and experience (includes demonstrated ability/references), change order fee percentage and proposed construction contract amount. Respondents may earn additional points if they are currently certified as a HUB (Historically Under- Utilized Business) by the State of Texas Comptroller of Public Accounts.

All proposals will be screened for inclusion of all required information prior to release to the evaluation team. WFSCB may exclude from further consideration for contract award any non-responsive proposal.

WFSCB may use Board staff/members, independent evaluators, or a combination of both to evaluate and rank proposals.

After evaluation, an award may be made, on the basis, of the evaluation and ranking, without discussion, clarification, or modification, or WFSCB may enter into negotiations with the highest ranked respondent. If WFSCB is unable to reach agreement with the highest ranked respondent, the negotiations will terminate and negotiations will begin with the next respondent in the order of the ranking until a contract is reached or the Board has rejected all proposals.

NOTE: After evaluation, any proposal with a total of 69 points or less will be considered as non-responsive and will be disqualified from further consideration. Proposals receiving a final score of 70 or better are not guaranteed an award.

The WFSCB will make a good faith effort to award contracts to Historically Underutilized Businesses (HUBs).

6.2 – Proposal Evaluation Criteria

The review and selection process will include the following criteria and value system:

PROFESSIONAL COMPETENCE & EXPERIENCE (Value 40 points)

Executive Summary 10 points

Completed Work 11 points

Current Work 10 points

References 9 points. References will be verified and points awarded as follows:

- Three distinct references provided (1 point per reference)
- Number of Responses (1 point per response). Lack of response or response received after the requested due date and time will not be awarded any points.
- Quality of Responses (1 point per positive and informative response that demonstrates good performance)

CHANGE ORDER FEE PERCENTAGE (Value 5 points)

HUB CERTIFICATION (Value 5 points)

Historically Under-Utilized Business (HUB) as certified by the State of Texas. To earn points, the respondent must provide a current copy of the certification.

PROPOSED CONSTRUCTION CONTRACT AMOUNT (Value 50 points)

Base Bid Phase II & Bid Alternate Nos. 1-4

TOTAL MAXIMUM POINTS 100

6.3- Cost/Price Scoring Methodology

Points for base cost/price will be awarded using the following methodology:

Assume the following cost proposals are received (examples only):

Company A	\$50,000
Company B	\$38,000
Company C	\$45,000

The lowest offer will be divided by each offer amount to determine a percentage:

Company A	$\$38,000 \div \$50,000 = .76$
Company B	$\$38,000 \div \$38,000 = 1.00$
Company C	$\$38,000 \div \$45,000 = .84$

Available points (50) will then be multiplied by each percentage to determine number of points awarded to each offeror.

Company A	$50 \times .76 = 38$
Company B	$50 \times 1 = 50$
Company C	$50 \times .84 = 42$

The same scoring methodology will be applied to alternate cost/pricing.

6.4- Oral Presentation/Interviews

Firms responding to the RFP may be required to provide an oral presentation of their proposal. Additional technical and/or cost information may be requested for clarification purposes, but in no way will change the original proposal submitted.

Interviews are optional and may or may not be conducted. If an interview is conducted, it is essential that key staff assigned to the proposed work, as well as other key representatives, be present at and participate in the interview.
