#### **Disclosure and Declaration of a Conflict of Interest**

Conflicts of Interest and the appearance of Conflicts of Interest shall be reported according to Board Administrative Policies #1.0.101.00 - Standards of Conduct and Conflict of Interest; and #1.0.105.00 - Reporting Conflict of Interest, Fraud, and Abuse, which were adopted by the Board of Directors on April 26, 2007.

*Conflict of Interest* – A circumstance in which a Board Member, Board employee, Contracted Provider, or Contracted Provider's employee is in a decision-making position and has a direct or indirect interest, particularly a financial interest, that influences the individual's ability to perform job duties and fulfill responsibilities.

*Appearance of a Conflict of Interest* – A circumstance in which a Board Member, Board employee, Contracted Provider, or Contracted Provider's employee's action appears to be:

- influenced by considerations of one or more of the following: gain to the person, entity, or organization for which the person has an employment interest, substantial financial interest, or other interest, whether direct or indirect (other than those consistent with the terms of the contract), or;
- motivated by design to gain improper influence over the Commission, the Agency, the Board, or the Board's Chief Elected Officials.

#### Code of Ethics

The Workforce Solutions Code of Ethics is a guide for dealing with ethical matters in the workplace and in our relationship with our clients and members of the community.

- We believe in respect for the individual.
- We believe all persons are entitled to be treated with respect, compassion and dignity.
- We believe in openness and honesty in dealing with the general public, the people we serve, and our peers.
- We believe in striving for excellence.
- We believe in conducting ourselves in a way that will avoid even the appearance of favoritism, undue influence or impropriety, so as to preserve public confidence in our efforts.

Notice: The Lead CEO of the CEO Council/Panel will be at 4981 Ayers Street, Corpus Christi, Texas where the Lead CEO will preside over the Meeting.

#### Notice: One or more members of the CEO Council/Panel may attend via video conference.

**Note:** Except for expressly authorized closed sessions, meetings, discussions, and deliberations of the CEO Council/Panel will be open to the public. Voting in all cases will be open to the public. CEO Council/Panel are advised that using personal communication devices to discuss CEO Council/Panel business during the meeting may be a violation of the Texas Open Meetings Act. Such communications also may be subject to the Texas Public Information Act.

**Closed Session Notice.** PUBLIC NOTICE is given that the CEO Council/Panel may elect to go into executive session at any time during the meeting in order to discuss matters listed on the agenda, when authorized by the provisions of the Open Meetings Act, Chapter 551 of the Texas Government Code. In the event the CEO Council/Panel elects to go into executive session regarding an agenda item, the section or sections of the Open Meetings Act authorizing the executive session will be publicly announced by the presiding officer.

**Concurrence with Contracts over \$50,000.00.** Items listed under the Concurrence with Contracts over \$50,000.00 have previously been reviewed and recommended for action by one or more Committees of the Board of Directors and the Board of Directors. All items listed under the Concurrence with Contracts over \$50,000.00 are ready for action by the full CEO Council/Panel; however, a CEO Council/Panel member can request that any item be pulled from the Concurrence with Contracts over \$50,000.00 for further review and discussion.

**Texas Open Meetings Act (TOMA).** All public meetings are required to follow all parts of the Texas Open Meetings Act. Therefore, we will be holding this meeting both in-person at the **Mission Career Center, Mission Training Room** and on **ZOOM**. With this format, comes some changes to what is required of the CEO Council/Panel and the public.

- The <u>presiding member</u> (Lead CEO or designee) must be in-person at the meeting location, 4981 Ayers Street, Corpus Christi, Texas.
- CEO Council/Panel must be visible on camera in order to count toward the quorum and in order to vote.
- The public and all presenters will need to be visible while presenting information.

This hybrid meeting format will allow us to meet TOMA rules, while still ensuring the safety of those who must attend.

## XI. Report on the anonymous communication filed on or about October 29, 2024, action of Executive Committee, and Report to the Board of Directors.

(Discussion of this item may be conducted in Closed Session pursuant to Section 551.071 to consult with legal counsel and Texas Disciplinary Rules of Professional Conduct under Rule 1.05 regarding the Report on the anonymous communication filed on or about October 29, 2024, action of Executive Committee, and Report to the Board of Directors.)

Ms. Garcia presented the following report to the Chief Elected Officials (CEO) Council on Anonymous Communication that is required to be furnished to the Council under our applicable policy (included on pages 18-19 of the March 4 agenda packet).

An anonymous communication was submitted to Workforce Solutions on or about October 29, 2024. After review of the information submitted and Workforce Solutions' Policy governing anonymous complaints and anonymous communications, the Executive Committee acted to classify the October 29, 2024 communication as an anonymous communication not warranting an investigation. No further action was taken. A Report to the Board of Directors was submitted regarding the anonymous communication. The Policy requires that a Report of such action be provided to the CEO Council. This Report will be filed and retained as part of the business records of Workforce Solutions.

# XII. Report Regarding Complaint filed by Belinda Silva on or about November 10, 2024, against the Vice-Chair, Sandra Bowen. (Discussion of this item may be conducted in Closed Session pursuant to Section 551.071 to consult with legal counsel and Texas Disciplinary Rules of Professional Conduct under Rule 1.05 regarding Complaint filed by Belinda Silva on or about November 10, 2024 against the Vice-Chair, Sandra Bowen.)

Ms. Garcia suggested Judge Morrill take items XII. and XIII. together and then she would provide a report.

Judge Morrill approved of Ms. Garcia's suggestion and proceeded.

XIII. Report Regarding Public Information Requests filed by Belinda Silva and Sandra Bowen. (Discussion of this item may be conducted in Closed Session pursuant to Section 551.071 to consult with legal counsel and Texas Disciplinary Rules of Professional Conduct under Rule 1.05 regarding the Public Information Requests filed by Belinda Silva and Sandra Bowen.)

Ms. Garcia provided the following report to the Chief Elected Officials (CEO) Council on the Complaint and the Public Information Requests filed that is required to be furnished to the Council under our applicable policy.

Following an anonymous communication, a complaint was submitted to Workforce Solutions on or about November 10, 2024, against Vice Chair, Sandra Bowen by Belinda Silva, a resident of Dallas, Texas. Ms. Silva specifically requested that a cease and desist order be issued against the Vice Chair. This request was based on a review of the complaint and a recommendation to the Executive Committee. No action was taken regarding the complaint, and no cease and desist order was issued. This decision was presented to the Board of Directors, who approved the no action and no issuance of a cease and desist order. The complaint had alleged that the Vice Chair attributed the anonymous communication to Belinda Silva, which was the basis for the requested cease and desist order.

Regarding item XIII, Ms. Garcia reported that Belinda Silva submitted a Public Information Request. Ms. Garcia confirmed that legal counsel is handling this request, navigating the Public Information Act to protect the organization, Board of Directors, and members. Additionally, Vice Chair, Sandra Bowen requested a copy of Belinda Silva's Public Information Request, which was provided when the organization responded to Ms. Silva. No further action is required; this was an update on the general status of the matter.

#### XIV. Information Only:

- 1. Monitoring Report
- 2. Update on Procurements & Contracts
- 3. Performance Measure Update

All Information Only items were deferred, as announced by Judge Morrill, and will be presented at the next CEO Council Meeting.

#### XV. Adjournment

The meeting adjourned at 12:11 pm.

#### ITEM FOR DISCUSSION AND POSSIBLE ACTION

XI – 1. To Approve Purchases Over \$50k for Phase III Mission Plaza

#### **BACKGROUND INFORMATION**

Phase three of Mission Plaza will include Vocational Rehabilitation Services and One-Stop to accommodate approximately 48 FTE's.

- a. Subsystems Empire has completed the subsystems (Cabling, Wireless Network, Security Cameras, Access Control, and TV mounting) in the first two phases. Out of three vendors sourced one could not get us on a schedule to adhere to the project deadline, one could not quote all systems and could not provide the same brand of equipment. Empire has done a great job and installed great equipment on Phase I and Phase II and we would like to continue with like products.
- b. Furniture Furniture will be purchased on purchasing through Gateway office supplies on an Omnia purchasing cooperative contract at a 50-70% discount. Total price is \$266,566.36. Breakdown between VRS/One-Stop listed separate.
- c. General Contractor for Construction A formal RFP process was executed and produced the attached results. South Texas Building Partners was selected based on price and experience. Contract is currently in negotiation and contract award will be \$1,190,282.

#### RECOMMENDATION

The CEO Council/Panel concur with the Board of Directors to authorize the President/CEO to Approve Purchases Over \$50k for Phase III Mission Plaza.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Coastal Bend Workforce Development Board Corpus Christi, Texas

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Coastal Bend Workforce Development Board (a nonprofit organization), which comprise the statements of financial position as of September 30, 2024 and 2023, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Coastal Bend Workforce Development Board, as of September 30, 2024 and 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Bend Workforce Development Board and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Bend Workforce Development Board's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Bend Workforce Development Board's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and the *State of Texas Single Audit Circular,* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and state awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 21, 2025, on our consideration of Coastal Bend Workforce Development Board's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Coastal Bend Workforce Development Board's internal control over financial reporting and compliance.

### NOTES TO FINANCIAL STATEMENTS

#### September 30, 2024 and 2023

#### (1) Organization and nature of activities

On July 1, 1997, the Private Industry Council (PIC) of Corpus Christi/Nueces County and the Rural Coastal Bend Services Delivery Areas merged to form the Coastal Bend Workforce Development Board (the Board) to comply with the Workforce and Economic Competitiveness Act Chapter 2308 of the Texas Government Code (the Act). The Board was incorporated under the Texas Non-Profit Corporation Act for the purpose of implementation and development of workforce related activities and programs in the eleven county Coastal Bend region. The Board, through the partnership and the interlocal agreements with the Coastal Bend Chief Elected Officials Council, is designated as the grant recipient and the administrative entity for the workforce development area. The Board receives funding from local, state and federal sources, and must comply with spending, reporting and record keeping requirements of these entities.

#### (2) Summary of significant accounting policies

Financial statement presentation

The Board classifies its financial statements to present two (2) classes of net assets:

- *Net assets without donor restrictions* include those net assets whose use is not restricted by donorimposed stipulations. Restricted grant proceeds or contributions whose restrictions are met in the same reporting period are reported as revenue without donor restrictions.
- *Net assets with donor restrictions* include net assets subject to donor-imposed restrictions that may or will be satisfied by the actions of the Board or the passage of time. The Board had no net assets with donor restrictions at September 30, 2024 and 2023.

#### Basis of accounting

The financial statements of the Board have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

#### Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the report of revenues and expenses.

#### Allowances for uncollectable

No allowance for uncollectable has been established. All receivables from the state and sub-recipients are deemed fully collectible.

### NOTES TO FINANCIAL STATEMENTS

#### September 30, 2024 and 2023

#### (2) Summary of significant accounting policies (continued)

Cash and cash equivalents

For the purpose of the statement of cash flows, the Board considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. This includes cash in bank, certificates of deposit, and money market accounts.

#### Revenue/receivable concentrations

The Board receives substantially all of its revenue from grants through federal and state agencies. Grant revenue is recorded by the Board as it is earned with the offset to a receivable. The Board does not recognize an allowance for bad debt, as all receivables are deemed collectable.

Functional expense allocation

Costs incurred by the Board in providing management and oversight of various programs have been summarized on a functional basis. Accordingly, these costs are recognized among the programs either as administrative or program and are distributed to the various funding sources based upon an established cost allocation plan on a monthly basis. Unassignable administrative and program costs are allocated to each grant based upon each grant's proportional share of total Workforce Center's expenses.

#### Fixed assets

The Board capitalizes property and equipment with a unit cost of \$5,000 or more and a useful life greater than 1 year for depreciation and financial statement presentation. Asset purchases under \$5,000 are expensed. The Board tracks property with a unit cost of \$500 or more to comply with internal policy. The valuation of the fixed assets is cost, if purchased, or fair market value, if donated. The Texas Workforce Commission (TWC) has an interest in all property purchased with TWC funds.

#### Income taxes

Income taxes are not provided for in the financial statements since the Board is exempt from federal income taxes and filing IRS Form 990 under Section 501(c)(3) of the Internal Revenue Code. The Board is not classified as a private foundation.

#### (3) Deposits and collateral

At September 30, 2024 and 2023, the total bank balances were \$1,030,609 and \$1,026,558, respectively. Bank balances of \$250,000 are covered by federal depository insurance. At September 30, 2024 and 2023, all of the Board's bank balances were covered by federal depository insurance as well as collateralized securities held by the pledging institution.

#### (7) Compensated absences

The Board employees are granted vacation pay in varying amounts based on length of service. Accrued unused vacation is paid upon an employee's termination. Compensated absences are charged to the applicable program when taken. The earned amount as of September 30, 2024 and 2023, was \$91,324 and \$70,736, respectively.

#### (8) Leases

The Organization leases office facilities and equipment under leases expiring in various years through 2032. The Organization determined to use the 10-year treasury rate in effect at the inception of each lease as discount rates.

Minimum future rental payments under operating leases, which have remaining terms beyond September 30, 2024, are in the aggregate, as follows:

YEAR ENDED	
SEPTEMBER 30,	AMOUNT

#### NOTES TO FINANCIAL STATEMENTS

#### September 30, 2024 and 2023

#### (9) Retirement plan

The Board provides employees the opportunity to participate in the Board's retirement plan. The plan is a 401(k) profit sharing plan. The Board's profit sharing plan and the provisions in this policy are subject to the rules and regulations of the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Service.

Benefits under the plan are based on the employee's vested interest in the value of his/her account at the time their benefits become payable as a result of his/her retirement or other separation from service or other distribution event. That value will depend on the contributions credited to their account and on the investment performance of the nest fund established to hold and invest those contributions. On September 24, 2021 the Board changed the vesting period to 100% vested on day one of the employee's employment date and all active employees were 100% vested as of that date.

Effective October 1, 2013 employees can make plan contributions up to the maximum allowed by the plan, not to exceed the IRS limits, and they can choose to make contributions before paying taxes and/or after-tax contributions through the plan's Roth 401(k) option. Employees may increase or decrease their contributions to the plan each payroll period. Employees are automatically 100% vested in their contributions and roll over contributions.

Coastal Bend Workforce Development Board will make a safe harbor matching contribution equal to 100% of the first 5% of eligible pay that the employee contributes.

More specific information on the retirement plan can be found in the summary plan description of the plan.

Existing and new employees, who have previously worked with any workforce organization (Board, One-Stop contractors, or TWC) within the State of Texas, shall be allowed to carry over their years of service earned at that organization to the Board's retirement plan. Contributions paid during the fiscal period were \$61,945 and \$68,987 for years ended 2024 and 2023, respectively.

#### (10) Economic dependence

Coastal Bend Workforce Development Board receives a significant portion of its revenue from pass-through funds of federal and state grants. The Board operated during the fiscal year under one major source of funds, the Texas Workforce Commission. The grant amounts are appropriated each year at the federal and state level. If significant budget cuts are made at the federal and state level, the amount of funds the Organization receives could be reduced significantly and have an adverse impact on its operations.

#### (11) Contingencies

Individual grants are subject to additional financial and compliance audits by the grantors or their representatives. Such audits could result in requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grants. The Board's management is of the opinion that disallowance, if any, will not have a material effect on the financial statements.

#### (12) Restatement of net assets

During the current year, the Organization identified an error in the previously issued financial statements for the year ended September 30, 2023, related to the omission of certain fixed asset omissions, totaling \$808,470. As a result, the Organization has restated its 2023 comparative financial statements to properly reflect the fixed asset additions as follows:

	SEF	PTEMBER 30, 2023	AD	IUSTMENT	TEMBER 30, AS RESTATED
		2023			
Property and equipment	\$	7,106,823	\$	808,470	\$ 7,915,293

Net investment in fixed assets		453,135		808,470	1,261,605

#### (13) Subsequent events

Management has evaluated subsequent events through May 21, 2025, the date the financial statements were available to be issued. No significant subsequent events occurred.

# SINGLE AUDIT SECTION

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors Coastal Bend Workforce Development Board Corpus Christi, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Coastal Bend Workforce Development Board (a nonprofit organization), which comprise the statement of financial position as of September 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 21, 2025.

#### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Coastal Bend Workforce Development Board's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control. Accordingly, we do not express an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Coastal Bend Workforce Development Board's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL AND STATE PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND THE STATE OF TEXAS SINGLE AUDIT CIRCULAR

To the Board of Directors Coastal Bend Workforce Development Board Corpus Christi, Texas

#### Report on Compliance for Each Major Federal and State Program

#### **Opinion on Each Major Federal and State Program**

We have audited Coastal Bend Workforce Development Board (a non-profit organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the *State of Texas Single Audit Circular* that could have a direct and material effect on each of Coastal Bend Workforce Development Board's major federal and state programs for the year ended September 30, 2024. Coastal Bend Workforce Development Board's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Coastal Bend Workforce Development Board complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2024.

#### Basis for Opinion on Each Major Federal and State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the *State of Texas Single Audit Circular*. Our responsibilities under those standards, the Uniform Guidance and the *State of Texas Single Audit Circular*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Coastal Bend Workforce Development Board and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination of Coastal Bend Workforce Development Board's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Coastal Bend Workforce Development Boards' federal and state programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Coastal Bend Workforce Development Board's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the *State of Texas Single Audit Circular*, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Coastal Bend Workforce Development Board's compliance with the requirements of each major federal and state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the *State of Texas Single Audit Circular*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Coastal Bend Workforce Development Board's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Coastal Bend Workforce Development Board's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and the *State of Texas Single Audit Circular*, but not for the purpose of expressing an opinion on the effectiveness of Coastal Bend Workforce Development Board's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control

over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *State of Texas Single Audit Circular*. Accordingly, this report is not suitable for any other purpose.

#### **Definitions of Measures-**

<u>Measurable Skills Gain(MSG)-</u> Numerator- individuals receiving a training/educational service(college, high school); from those it is critical that we obtain a progress report, diploma, transcript to validate a skill gain or progression, this would then move the individual into our numerator. Semester based training; school provides an opportunity for us to capture information at end of each semester(May-June) (December-January). Internal actions and documentation such as testing may also provide verification on a skill attained.

<u>Employed Q2 & Q4-</u> Numerator- individuals receiving job search, career center services, training, via our career center(staff assisted) or enrolled in one for our core programs(WIOA, SNAP, Choices, etc.). Once these individuals complete and exit the program we are measured on whether they are employed 2 quarters or 4 quarters after their exit. Those employed become part of our numerator, and one of the main ways it is validated is via the TWC Wage Record System(sweep) and/or we validate if self-employed via supplemental wages. Wages of at least \$1 must be showing up on the quarters(2<sup>nd</sup> and 4<sup>th</sup>) to count as "employed".

## Transition to New Monthly Performance Reports System

TWC is currently transitioning into a new monthly performance reporting system on the **Tableau platform**, expected to be fully implemented by **this summer**. This new system will enhance data visualization and accessibility for performance tracking.

#### MPR Reports – Estimated Time of Arrival (ETA)

- October, November, and December MPR Reports  $\rightarrow$  **Expected release in April**.
- January and February MPR Reports  $\rightarrow$  **Expected release in Summer 2025**.

## Performance Updates

- Statewide System Upgrade: The Texas Workforce Commission (TWC) has upgraded its reporting system for Career & Training programs. As a result, both current and historical data have been updated to align with this new system.
- Youth Measures: The methodology for all Youth performance measures is being reviewed and corrected to ensure data accuracy.

• Choices Full Engagement Measure: Due to challenges in replicating the necessary reporting logic after the launch of the new Workforce Case Management System in April 2024, performance for this measure can only be calculated from October 2023 to March 2024 for BCY2024.

#### **Board Actions**

#### Response to Performance Updates

The Board is actively responding to the recent performance updates by holding bi-weekly Performance Meetings with C2. These meetings are focused on closely monitoring all performance measures and ensuring that all available data is thoroughly reviewed so that no key information is overlooked.

In support of this effort, C2 has implemented its own projections tracking system, which is reviewed on a weekly basis. This tool allows for continuous performance monitoring and supports timely decision-making to maintain accuracy and alignment with state reporting standards.

## **INFORMATION ONLY**

XII – 5. Local Labor Market Intelligence – Jobs & Employment Report – Q2

## **BACKGROUND INFORMATION**

#### Jobs & Employment Report

## COASTAL BEND BUILDS MOMENTUM AS JOB GROWTH SURGES

As of March 2025, the Coastal Bend region continues to exhibit resilience and momentum amid ongoing labor market shifts. The unemployment rate improved once again, dropping from 4.6% to **4.3%** month-overmonth, with more than **11,000 job openings** across diverse industry sectors offering meaningful opportunities for job seekers. The year-over-year unemployment rate held steady at 4.2%, reflecting alignment with broader trends across Texas and the nation.

Industries such as **Education and Health Services**, **Professional and Business Services**, **and Construction** remain key drivers of economic vitality, positioning the region for sustained advancement. **Workforce Solutions Coastal Bend** remains dedicated to fostering regional growth through workforce initiatives and community partnerships.

## LABOR FORCE TRENDS: REGIONAL INSIGHTS

The civilian labor force in the Coastal Bend climbed to **266,437**, gaining over **2,800 new individuals** compared to March 2024. Employment also grew by **2,500** year-over-year, signaling the region's ongoing ability to meet economic demands. Alongside a steady 4.3% unemployment rate, job growth continues to create opportunities for workforce advancement and skill development.

#### **Sectors Driving Growth**

- Education and Health Services remain the largest employment sector in the region, accounting for 28.3% of the workforce. This sector saw steady year-over-year growth of 1.5%.
- Leisure and Hospitality experienced a 13.8% expansion regionally and a 0.8% increase in the Corpus Christi Metropolitan Statistical Area (MSA). Boosted by seasonal tourism and hospitality hiring.
- **Trade, Transportation and Utilities** sector remains a key focus for long-term growth, with projections indicating significant expansion opportunities leading up to 2032, presenting substantial infrastructure development opportunities.

#### Wages and Opportunities

- The average weekly wage in Coastal Bend rose to **\$1,096**, a **\$46 increase** compared to the previous year. While this marks progress, efforts continue to bridge the wage gap with state and national figures.
- Small and medium-sized enterprises remain a cornerstone of the local economy, with **82.1%** of jobs anchored in the private sector—evidence of a thriving and entrepreneurial business landscape.
- As of March 2025, continued unemployment claims have remained steady year-over-year, adding only **255 new claimants** for the year, reflecting a stable job transition rate.

## STATEWIDE AND NATIONAL TRENDS

#### Texas Labor Market Trends

- Texas' economy continued its strong performance in March, with the labor market achieving record highs in both total jobs and the size of the civilian labor force. Texas added 26,500 positions over the month to reach a total of 14,282,600 nonfarm jobs. The state added 192,100 jobs over the year, bringing the annual nonfarm growth rate to 1.4% which outpaced the national growth rate by 0.2 percentage points.
- Texas' civilian labor force achieved another new record high of 15,778,500 after adding 8,400 people over the month, marking 57 of 59 months of growth. Over the year, Texas' civilian labor force has added 301,400 people.
- The state's non-seasonally adjusted unemployment rate decreased from 4.3 % in March 2024 to 4.1% in March 2025, mirroring the broader economic adjustments observed nationally.

#### **National Trends**

- On the national front, the unemployment rate witnessed an increase of 0.3 percentage points, from 3.9% in March 2024 to **4.2%** in March 2025, reflecting wider economic shifts.
- Growth in sectors such as Financial Activities and Trade, Transportation, and Utilities at both the state and national levels align with Coastal Bend's key economic drivers, reinforcing the region's strong position for continued growth.

# The Texas Labor Market Information Data for April is scheduled to be released on Friday, May 16, 2025, at 9:00 a.m.
